One of the most effective demonstrations of air supremacy by the Western Allies over Europe occurred in earlywhen Lieutenant General Jimmy Doolittlewho took command of the US 8th Air Force in Januarywould only a few months later "release" the building force of P Mustangs from their intended mission to closely escort the 8th Air Force's heavy bombers, after getting help from British aviators in selecting the best available aircraft type s for the task. Thompson volunteered

as cook in the camp where they were interned. Japan suspended Kamikaze attacks in May, because it was now hoarding gasoline and hiding planes in preparation for new suicide attacks in case the Allied forces tried to invade their home islands. With these facts, a unit documents its heritage, the basis for unit esprit de corps. However, the pens were very solidly built—it took 7, flying hours to destroy one sub there, about the same effort that it took to destroy one-third of Cologne. However, he repeatedly overruled Arnold by agreeing with Roosevelt's requests in 1942 to send half of the new light bombers and fighters to the British and Soviets, thereby delaying the buildup of American air power. It meant reconnecting a broken soldier with the shards of his humanity. He convinced Chennault to loan him a P-40 which he flew to protect the supply route to Blair, and Pvt.
