The analysis will help to discover what factors are lacking in the organisation success causing it to fail in the market its competing. At the corporate level strategy is about asking questions about the organisation is at present or would like to be, the strength of the organisation if they can expand. FindacopyinthelibraryFindinglibrariesthatholdthisitem Those resources enable the organisation to develop their planning successfully, customers are as important stakeholder group too that allow the organisation to grow and successes in some organisation they are customers oriented and they tend to have more success in the market place and they often dedicated greater sources to the management of their relations with the employees or customers for examples by looking at the hours they work. Thus, Strategic Management for Travel and Tourism paper offers a framework that can be used by hospitality companies when they configure out performance management system for their businesses. Enduring: Does not change for a number of years as it may cause confusion to its stakeholders. Descriptors:casestudiescasestudiesSubjectCategory:Techniques,Method at the SEP program I have been able to meet lots of the companies we talk .
