Let us note in conclusion that the specific form assumed by  
the social safety net is not at all indifferent. In those  
years, the immigrants leaving for Brazil or for Argentina were  
met with the worst conditions because they often were left to  
their own means without a job and without the means to pay for  
their return ticket.

From this scientific starting point one can quickly comprehend  
that speculation namely interest cannibalizing an increasing  
part of, if not the whole profit is unsustainable, and above  
all that it cannot be apprehended as a generic rate of return.
