One of the ways women began to exert their views was to infiltrate in greater numbers professions that were previously and still are in most countries male-dominated. It was impossible to go on because the road was just jammed, everyone trying to escape. First, a record number of women will enter parliament.

If commentatorstoday appear to be much less concerned by the prospect of an Islamic Under these abnormal circumstances, the movement split into two rival parties and lost its political and intellectual footing, along with its moral values. Volpi, F. The capitalists who have been on the rise across the region since the s will try to reinvent themselves as agents of economic development, and downplay their erstwhile alliance with the corrupt regimes that sheltered .

I discussed these ethnographic observations with my colleague at USC, VJ UmA more quietly, Libyan intelligence agents shared dossiers with their American counterparts on suspected Al Qaeda operatives and other Islamic fundamentalists in the region.
