Although the "subscription" was initially successful, Constant's role as a political voice was damaged when the colony failed and a scandal erupted over the donations. He decided to return to France via the United States where he spent almost half a year. ByMichaelCrowder. After the French Revolution, the liberal pro-American writer Edouard Laboulaye looked back at the late-eighteenth-century French image of the American Revolution and contrasted it with the current nineteenth-century admiration for American revolutionary documents: "America was then an example too distant to be of any use for us; the state of both societies was not the same; their needs, their desires, their aims were different.

Frontispiece drawn by Bernard Naudin.

OnthepublicationinFrenchofAmericandclarationsandconstitutionaldo will be recalled that in the early decades of the nineteenth century, America witnessed a remarkable religious revival that manifested itself in an unprecedented growth of religious sects, revival meetings, and theological controversies.
