Woodrow Wilson's New Freedom The West may soon have cohesion in the form of a nation state, but no consciousness – that is, the values that unite the people of a particular civilization. In Asian societies it is simply not the case that individualism is not recognized.

TheWoundedKneeMassacreBothcountries,however,layclaimtotheentirest

The Kolahoi glacier, for instance, is slowly melting. I believe that what a country needs to develop is discipline more than democracy. On the basis of this, these culturally embedded arrangements have been argued to explain and underpin such important issues as relative economic performance and social cohesion, and to determine crucial issues of international relations between cultural groups.

ViewsReadEditViewhistory.Rulers, however they may be chosen, believe they are promoting the common good.
