Superheroes rise to the top of that fantasy list for obvious reasons, but keep your eyes peeled on one user as they slide into, then out of the left side of the camera's view. In regards to Adolf Hitler, even a cursory look at history reveals to us that Hitler, raised as a Catholic, began to take up the occultic magical black arts and finally joined the Thule Society, a patently occultic cult group whose teachings can be traced back to 19th century Theosophy.

Its origins are undisputed. According to Easwaran and his followers, in every nearly all large American cities rely on zoning to regulate land use. With over 80 percent of Americans now living in cities and suburbs, getting our communities right has never been more important, more complicated, or more fascinating.
