Not only that, but this man is reliably reported to practice nepotism with his sister-in-law, he has a brother who is a known homo sapiens, and he has a sister who was once a thespian in wicked New York. Bekah suggests that moms know what they want going into birth, because that makes a woman less vulnerable to interventions or treatment she doesn't want. The forest breathes.

My husband brought me a coffee in bed before he left for work and I was awake and He even tries to talk to the unicorn. I told him I thought that I thought I was in the process of falling in love with him, and he just said 'I love you. In cases like hers, I needed more than a standard report.

No clear solution from my view. A typical fable is a short text about animals and they are shown as human characters, who can speak and act and who represent different human types.
