Mister Magnolia Author: Quentin Blake. Books that feature black characters.

This is the breathtaking story of how two very different yet equally determined girls find their way through a world that is not always fair. There are over 60 million copies that have been sold of this series and now the cover has a new look for the new generation. Things get even worse when she turns Ethel, the teacher's pet, into her worst enemy.

I am anxious that the content of the reading habit, especially as I suspect this book is intended for young readers, sentences must be short and simple; although advanced readers can benefit from longer sentences. Anne Frank.
