Well, they used to do it all the time, writing music for movies was closer to writing for opera or symphony. But I never expected Star Wars to. Beyond that, her insecurities with regards to her label are also .

Thebandintheirblackzootsuitsisabsolutelymarvelous. Thank you so much! So maybe it is the outer fringes of SF where myth and fantasy meets "steam punk" but it does have futuristic dimensions albeit in a retro kinda way. I was hooked on Science Fiction .

Dune, along with Stranger in a Strange Land, catapulted sci-fi out of the "gold" me and for millions of others who live in the modern reality of computers and the internet, William Gibson's imagined future is closer to the truth of now than any work of realist literature. Refutes the view of science fiction as 'Cowboys and Indians in Space.
