During much of his presidency, Pinto was involved in a new war with Peru and Bolivia. In January came another challenge. The Mapuche continued to occupy these lands and prevent Spanish conquest for centuries.

Prices rose as merchants hoped to make up for a decline in the value of currency. The idea is that the state should acknowledge and guarantee the social rights of individuals, leaving behind the state welfare-type assistance to the poorest and moving forward towards a more supportive and universal way of thinking particular to a modern welfare state. Democracy on its own does not create a path for women to become leaders.
