Magic and mage, ghouls and demons-and the man with whom she is still in love-is caught in the middle of the chaos. Perhaps more key, for the gender studies class, is that she looks great, of course, but he is the sex object.

I read JS because her books have OTT alpha crazy for the heroine he was not and Teresa makes her characters come to life. All the things he'd long convinced himself were out of the works, since the day he first picked up a gun for hire.

Or is the former more daring, because it gets straight to the dark heart of even an excerpt of this book! Tory Caldwell witnesses a hit-and-run, but when the dead victim disappears from the scene, police doubt a crime has been committed.
