China--Territorialexpansion.Tolearnmoreabouthowtorequestitemswatc  
Background I am an historian of nineteenth and twentieth  
century China. This is a fascinating and impressive  
contribution to the study of modern China's frontier and  
ethnic history. New directions emerged in Confucian thought,  
while attitudes to gender and cultural identity also underwent  
important changes.

a list. Therefore, it serves as a case study for testing the  
notion, foundational in the Weberian tradition of social  
theory, that the rule of law can only be created by state  
authority strong enough to determine what counts as legitimate

use of violence.
