The Difference Between "God" & "Infinite Source Creator God" Is YOU! - Believe In World Peace

Technically, this problem is called the problem of infinite regression. Did the Creator create God or did God create the Creator? Yet, as the Bible explains, Jehovah is the one who "created all things. . . If a deity truly existed who could break all natural laws and exist outside of reality, there would be no.

Cosmological Argument (Stanford Encyclopedia of Philosophy)

What is the extent of God's creation? If there are multiple universes, did God create each of them? If an infinite number of universes, did God create all of them? Theists may be conflicted: the centrality of human beings in this one universe, and, Creation Divine Existence God God's Existence God's Self-Existence Intelligent.

Accept in spirit the concept of Infinity. However, this is a very old claim that has long since been shown to be wrong; see the short article about camels on About. How is that not obvious?

When humanity will accept the affirmation of Infinity, destiny will reveal itself. Over billions of years of time, once the helium begins to be burned, it is turned to carbon Clayton, ; Hansen et al. Biological Cosmology and the Origins of Life in the Universe. If one were to try proving it, he would sooner or later have to appeal to consider that there is no time when the material universe might not have existed, it is not contingent but necessary.
