Reeves is a lieutenant colonel in the U. This is the sixth report dealing with this subject. HealthCareandVacation. While in the civilian sector, advancement on the bench may be through election, appointment, or other means, in the military, promotion leads An Army of Judges advancement, though not always on the bench. According to the Government of Canada, the assessment of what is adequate must be based on an objective assessment of the level of remuneration that would allow a reasonable and informed person to conclude that the judiciary is independent and not susceptible to political pressure through economic manipulation. Their military experience, as well as their familiarity with specialized areas of legal practice, such as national security law, would help broaden the outlook of the judiciary and contribute valuable diversity to the collective decision-making of the courts.
