Special Publications Series. Your reading intentions are also stored in your profile for future reference. Consuming China investigates this characterization by examining the cultural significance of consumption and consumerism in the People's Republic of China today.

That is, a new call for appropriate terms of address, respect between the general Consumption Economics -- China. Both his experience during Maoism and his reading made him lose his idealism: The more I read the more I saw the contradiction between the propaganda and reality. Similar examples are easy to find – Chen Rong, for instance the businessman friend I mentioned at the

beginning of this essay.
