There she meets a clergyman, Angel Clare, who works as a farmer too to gain knowledge of farming through practical experience of it. However, she falls asleep at the reins, and the family's only horse, Prince, encounters a speeding wagon and is fatally wounded. There, he finds Tess living in an expensive boarding house under the name "Mrs.

Open to the public ; H27t. In a life of cruel partings, and meetings which are always tainted so that joy is melancholic and not to be trusted, when Tess takes the final decisive step that permits her no more than a few days of the exquisite all-encompassing happiness which was so rightfully hers, but which she could only take through an act that ensured her happiness would be the briefest of things, still, do we not have a sense that those few sweet days are what she takes with her, that they negate every shitty dreadful thing that has happened to her before then?
