I remember I would take my assignments home and ask my mother or sister to do it for me because I refused to do it. Geri Nettick. I do not understand why her changed gender would now affect her performance.

Armedconflict,homonegativityandforcedinternaldisplacement:implica

Confidant par excellence, advisors and healers: women traders' intersecting identities and roles in Senegal. Her fight with the Department of Home Affairs is not unique and many South African transgender people struggle to overcome the obstacle of having a conflicting gender assigned to them by the government. That was quite an eye opener for me, as I never before met any other gays or lesbians.
